

Hoco Parts is the quality wholesaler for premium motorcycle products in Europe. Our extensive product portfolio ranging from tyres to spark plugs and from brake pads to helmets are distributed to our customers from our warehouse in The Netherlands. To continue and expand our business in Denmark we are looking for a

FIELD SALES REPRESENTATIVE (M/F)

As our sales representative you are responsible for all the sales activities in Denmark. You will support our customers with technical and commercial advice with the objective to achieve our sales targets. Your frequent visits to our customers will result in a strong relationship between our customer, Hoco Parts and yourself. In order to be continuously prepared regular visits to the home office in The Netherlands are part of the job. You can rely on a strong team of colleagues to assist you in your job.

We require:

- Winning mentality!
- Excellent technical knowledge of all types of motorcycles
- Field sales experience
- Completed Secondary Education including “handelsuddannelse” eller “butikuddannelse”
- Able to work disciplined and independently
- Conversational and interpersonal skills
- Native Danish speaker and a good command of English
- Knowledge of MS Office; Word, Excel, Outlook
- Car & motorcycle driving license

We offer good working conditions with a competitive salary. You will be part of a successful international team in a young, dynamic and growing company.

Please send your letter of application and Curriculum Vitae by email to jpabom@hocoparts.com directed to Mr. J.P.A. Bom. We would like to receive it in both English as Danish. Please attach a recent portrait photograph of yourself.

We are looking forward to your application before the 28th of February.
